This is an audition and interview process for both cast and crew for four MissionWorx projects that include the feature film "The Journey to Nairobi", a feature (that will be part of an annual series to raise support for Baptist Disaster Relief Efforts in Texas) called "Freer", a series of commercials for the "Embrace the Help; Be the Help" national mentoring campaign and a reality/documentary called "Living Under the Southern Star". Most of the auditions will center around parts for "The Journey to Nairobi" but will allow casting personal to become acquainted with area talent. The Journey to Nairobi will be shot mostly in the cities of San Antonio, Freer and Devine, Texas. These are all Christian based projects.

Steps for advance registration auditions:

1. E-mail us at [casting@missionworx.com](mailto:casting@missionworx.com) with a head shot, resume, a link to your reel, a filled out registration form. (If you do not have a resume or a reel, it would still be beneficial to register in advance. No experience is necessary but advanced registration will help. Please at least try to send a head shot even if taken with a cell phone.)
2. We will respond with a copy of a side for you to prepare and priority time slots for auditions on January 11th or arrange an earlier interview.
3. Filming for The Journey to Nairobi will take place in late February, March, April and May of 2020 and mostly on Friday, Saturday and an occasional Sunday afternoon. The Embrace the Help; Be the Help campaign commercials will be filmed in January. Living Under the Southern Star begins shooting in January. "Freer" will begin shooting in July 2020.

If you are interested in serving as crew. Please send resume and registration form and you will get an appointment made in return.

Steps for walk-in auditions:

1. Upon arrival, you will be handed a registration and release form with a list of characters. Fill out the form and indicate the characters for which you wish to audition. You may choose to audition for multiple roles. Also, if you are seeking to serve as a member of the **crew** (behind the cameras) options will be available on the form as well. Return the form as soon as you complete it.
2. Upon receiving the form, actors will be given a copy of a *side* (a partial script used for your audition) that you will need to look over for the roles (or roles) for which you plan to audition. Learn as much of the script as you can but you will also be able to have script in hand during auditions. No advance sides will be handed out. Auditions will take place in groups according to characters so if you express interest in multiple roles you will be asked to read for each role. Those interested in serving in a **crew** role will be called back for an interview.

Notes:

1. Those under 18 will need to have a parent or legal guardian present.
2. Casting decisions will be announced on the website.
3. Shooting schedule and locations will be presented at the audition. If you are unable to meet the schedule, please do not audition.
4. All cast and crew will be receiving appropriate IMDB and screen credit.
5. There will be no food provided. Water bottles only.
6. No children unless they are auditioning.
7. Auditions are taking place in a church. Please be respectful.
8. There are more than thirty smaller roles for all ages, races and genders. If you do not see a role on the description list that fits you, please come anyway- you would be surprised how things change.
9. This may take all day. Those who come to audition could be waiting for a long time. Please come prepared to be patient and use the time to learn lines, make connections and enjoy the first step in becoming a film maker.
10. Once we register you, we may be able to give specific times to return allowing for you and your party to visit a restaurant for lunch.
11. The auditions will be filmed.
12. We are a faith based group but we welcome anyone and everyone.
